**3. Agenda Approval** - Moved by Supervisor Cosgrove to approve the agenda, seconded by Supervisor Severson. All voting aye, motion carried.

**6. Roles and responsibilities of the County Board Chair and Vice Chair** – Chair Murphy-Lopez stated this item was on the agenda 2 weeks ago but due to time constraints, was postponed until today. The current roles and responsibilities of the Chair and Vice Chair are pretty brief so he reviewed State Statutes for the required duties. Most of rules he found are not listed in the current roles and responsibilities and wondered if it is because they are assumed responsibility. Clerk Kalish is on line, in conferring with him he confirmed that the Board Chair is signing documents from a County Board meeting.

Chair Murphy-Lopez read through the list of items to consider including in the roles and responsibilities and the following items were discussed and acted upon.

Section 1 Agendas: Moved Supervisor Cosgrove to add 1.b. *“Be responsible for the preparation of the agenda of the County Board in conjunction and with the assistance of the County Administrator and County Clerk.”* and to keep 1.f. and 1.g., 2<sup>nd</sup> by Supervisor Luck. All voting aye, motion carried.

Attorney Windle read the statutes wording concerning the Clerk preparing agendas. Kalish concurred that is how it is handled.

Section 2 Appointments: Chair Murphy-Lopez reviewed the list. Moved by Supervisor Cosgrove to strike, *2.1-Concur to the Administrator’s appointment of department heads of the County.”* from Administrators job description. 2<sup>nd</sup> by Luck. All voting aye, motion carried.

Chair Murphy-Lopez reviewed Section 3 and 4. Moved by Supervisor Luck to add *“4.c. Acts as a voting member, if a quorum is not otherwise present for a Standing Committee.”*, 2<sup>nd</sup> by Supervisor Cosgrove. All voting aye, motion carried.

Murphy-Lopez reviewed Section 5. County Board Meeting Procedures. After discussion, the current 5.e. needs revisions. Attorney Windle will look into this and provide feedback to the committee.

Chair Murphy-Lopez review Section 6. Law. Moved by Supervisor Cosgrove to modify 6.a. and add as “6.a. *Take care that all federal, state and local laws; rules, regulations and board policy pertaining to county government are enforced.*”, 2<sup>nd</sup> by Supervisor Luck. Chair Murphy-Lopez requested a roll call vote by Secretary Dull: Supervisor Seep – aye, Chair Murphy-Lopez - aye, Supervisor Cosgrove - aye, Supervisor Severson - aye, Supervisor Luck – aye. All voting aye, Motion carried.

Chair Murphy-Lopez reviewed Section 7. Miscellaneous. Moved by Supervisor Severson to add “7.a. *Such other powers and duties as are set forth in County ordinances or resolutions.*” and “7.b. *Direct Supervisors to attend meetings of a committee/board/commission where they are not a member.*”, 2<sup>nd</sup> by Supervisor Cosgrove. All voting aye, motion carried.

Chair Murphy-Lopez reviewed Section 8 and 9 with not changes.

Chair Murphy-Lopez reviewed Section 10. Referrals. Moved by Supervisor Severson to strike language in 10.b. revising it to read “10. b. *Assign to the appropriate committee when there is doubt.*”, 2<sup>nd</sup> by Chair Murphy-Lopez. All voting aye, motion carried.

Chair Murphy-Lopez reviewed Section 11. Relationships (Internal and External). Moved by Supervisor Luck to add “11.b. *Represent the County at legislative hearings, conventions or other matters pertaining to the county. The Chair may delegate to department heads, County Administrator, other elected and appointed officers and other Board members such roles and responsibilities.*” and “11.e. *Acts as the chief elected spokesperson, and coordinates with the Administrator, who is the chief administrative spokesperson for the County.*”, 2<sup>nd</sup> by Supervisor Seep. All voting aye, motion carried.

Chair Murphy-Lopez reviewed Section 12. Removals. Attorney Windle advised the committee that 17.10(3) does not apply when there is an Administrator. Moved by Supervisor Seep to add 12.a. with modifications as follows “12. a. *Remove appointed committee members with approval by majority of the County Board members voting.*”, 2<sup>nd</sup> by Supervisor Cosgrove. All voting aye, motion carried.

Chair Murphy-Lopez reviewed Section 13 and 14 with no changes.

Chair Murphy-Lopez reviewed Section 15. Voting at County Board Meetings. Moved by Chair Murphy-Lopez to change 15.d. to read “15.d. *Vote on a call of ayes and noes and abstentions.*”, and strike 15.e., 2<sup>nd</sup> by Supervisor Cosgrove. All voting aye, motion carried.

**7. Process for running for Board Chair/Vice Chair** - Chair Murphy-Lopez stated in January a motion was made to adopt language for running for Chair and Vice Chair and after that vote, a question was raised at the WCA's webinar on January 18<sup>th</sup> about open meeting issues related to candidates for County Board Chair and Vice Chair campaigning for those positions. Attorney Andy Phillips said the election of the Board Chair is an item of business for the Board. If that item is discussed outside of the confines of County Board meetings, the County Board is inviting potential violations of the open meetings law. He recommended limiting conversations outside the County Board meeting to make the campaigning process as clean as possible.

Luck pointed out that our current rules clearly spell out how or when information is collected and presented to the board and the public at the same time.

Moved by Supervisor Luck to amend step #5 to read. “*Candidates for County Board Chair and Vice Chair may not directly contact County Board member select to campaign for the positions.*”, 2<sup>nd</sup> by Supervisor Cosgrove. Chair Murphy-Lopez requested a roll call vote by Secretary Dull: Chair Murphy-Lopez - aye, Supervisor Cosgrove - aye, Supervisor Severson - aye, Supervisor Luck – aye, Supervisor Seep – aye. All voting aye, motion carried.

Supervisor Cosgrove left the meeting at this point.

Moved by Supervisor Luck to amend 7. to read: *“7. At the organizational meeting, nominations shall be made and seconded, and the election of Chair and Vice Chair shall follow after each candidate is allowed 10 minute to speak and answer questions.”*, 2<sup>nd</sup> by Supervisor Seep. All voting aye, motion carried.

**8. Committee restructuring** – Supervisor Luck presented her hybrid proposal identified as 8a, for committee restructuring and explained her thought process behind the design.

Supervisor Brewer expressed his concerns of the restructuring with regards to the UW Platteville-Richland as this structure changes the involvement with the Campus to be more of a property management role instead of involvement in organization and planning.

Supervisor Luck explained that just because this is a Public Works committee does not mean they can't handle more than just property issues if they are brought forward to them.

Administrator Langreck advised the committee that per the agreement with the campus, our actual roll is wrote to be about property and building conditions.

Chair Murphy-Lopez reviewed the overview language for the UW Platteville-Richland Committee. He stated other items of concerns could be brought to that committee but this is designed as a structural shift in what we as a committees handle.

Chair Murphy reviewed Restructuring Framework presented as 8b and explained what happens to the “Other Bodies”, the removal of committees that no longer exist, committees with just a representative and supporting information for those.

Moved by Supervisor Seep to adopt a framework for committee/commission/board restructuring and return to the Rules & Resolutions Committee with a revised Committee/Commission/Board Structure document incorporating the changes, 2<sup>nd</sup> by Severson. All voting aye, motion carried.

Supervisor Luck recommended when this is all put together that we ask another county that uses this structure to come speak with our committee.

**9. Bid process complaint** – Supervisor Seep asked to speak. He feels this is a moot point as this was worked out at the Board meeting, except to possibly defer to Attorney Windle for a response. Chair Murphy-Lopez feels this is an important item to discuss as there was a lot of things said at the county board meeting. Moved by Supervisor Seep to set this aside and discuss it in closed session. Supervisor Severson disagrees, it should be discussed in open session. There were allegation, including items mentioned on the radio, that should be address. Supervisor Seep stated that a complaint was made to him and he felt it was his responsibility to report that complaint to County Board prior to the vote, not mentioning any names or businesses.

Supervisor Seep left the meeting at this point.

**10. Future agenda items** – Supervisor Murphy-Lopez – none; Supervisor Luck - none; Supervisor Severson – none.

**11. Adjournment** – Next meeting will be Thursday, March 10th at 1:00 pm. Moved by Supervisor Luck to adjourn at 5:55 p.m., seconded by Supervisor Murphy-Lopez. All voting aye, motion carried.

Minutes respectfully submitted by

Cheryl Dull

Assistant to the County Administrator

No amendments to a Rule of the Board shall be effective in the meeting in which that Rule is amended.

**Rule 14**

This Rule applies to all committees and boards which consist of a majority of County Board Supervisors, subject to the exceptions stated below.

This Rule does not apply to the extent that it may conflict with authority granted to any committee or board by the Wisconsin Statutes.

This rule does not take precedence over the following:

- (a) The only matters which the Highway Committee has to come back to the County Board for are:
1. to purchase highway equipment which costs \$50,000.00 or more (Resolution No. 41 Amended) adopted on October 28, 1975);
  2. to purchase real estate other than highway right-of-way (Resolution No. 87-47);
  3. to construct any building.
- (b) The Health and Human Services Board shall have the authority to enter into contracts which involve the expenditure of not more than \$50,000.00 either at one time or within the course of one year.
- (c) Resolution No. 88-32 (Committee Structure Resolution) and Resolution No. 89-100, which authorizes the Land Conservation Committee to undertake new projects costing up to \$50,000.00. The Land Conservation Committee can enter into cost-sharing contracts with private landowners under the Soil and Water Resource Management Program and pay those contracts involving the expenditure of up to \$50,000.00 per contract a year without County Board approval.
- (d) Resolution No. 89-80 Authorizing the Law Enforcement and Judiciary Committee to appropriate funds from the Jail Assessment Fund without County Board approval.
- (e) The Board of Trustees of Pine Valley Healthcare and Rehabilitation Center shall have authority to enter into contracts, make expenditures and undertake public works projects which involve the expenditure of not more than \$50,000.00 either at one time or within the course of one year.
- (f) No supervisor should promise a present or prospective County employee a wage increase, salary, job, or job security without telling him or her that the promise has to have final approval of the full County Board before it can be carried out.
- (g) No Supervisor should make a financial commitment or promise to any individual, company or organization concerning County property without telling him or her that the commitment has to have final approval of the full County Board before it can be carried out.
- (h) The Fair Committee shall have authority to enter into contracts, make expenditures and undertake public works projects which involve the expenditure of not more than \$7,000.00 either at one time or within the course of one year.
- (i) Retirement Resolutions. The County Board will only consider Resolutions commemorating the retirement of County employees if the employee is fully vested in the Wisconsin Retirement System at the time of retirement.

Any matters covered by this Rule are not deemed to have been approved by the County Board by virtue of the Board having approved an annual County budget which may contain money for those

items. Items covered by this Rule must be approved by the County Board by separate Resolution despite the fact of prior approval as part of the budget process.

The following items must be approved by the County Board:

- (j) Contracts. Agreements entered into on behalf of Richland County should be reduced to writing whenever possible. All contracts involving an expenditure of 10,000 or more a year must be approved by the County Board, except that a one year's extension of an existing contract may be authorized by the appropriate committee. All contracts involving less than 10,000 a year must be approved by the County Administrator. Department heads may enter into contracts on behalf of Richland County subject to County Administrator approval. Department heads will report all contracts to the appropriate committee. Copies of all contracts shall be filed with the County Clerk.
- (k) Expenditures. If the purchase price of the needed property including computers is 2,000 or less, the department head may make the purchase upon obtaining at least one quotation from a vendor. If the purchase price of the needed property including computers exceeds \$2,000 and does not exceed \$10,000, the purchase must be made by the County Administrator after having obtained a minimum of 3 quotations from vendors, if reasonably possible. The County Administrator may not commit Richland County to an expenditure of \$10,000.00 or more for the purchase of property, supplies or equipment (in either one unit or in multiple of units if the cost of either exceeds \$10,000.00) or of real estate or for the repair, renovation, remodeling or reconstruction of buildings or other public works, unless that expenditure has been approved by the appropriate committee and County Board.
- (l) Public works projects. All matters dealing with the "construction, repair, remodeling or improvement" of any County building or real estate is governed by section 59.52(29), Wisconsin Statutes. This statute covers the construction of a building that will become a County building even though its construction is being financed by private funds. Also, this statute does not govern highway projects. This statute sets forth the following requirements;
  - 1. If the estimated cost of the project is less than \$5,000, there are no restrictions as to how the County Board can award the contract for the work.
  - 2. If the estimated cost of the project is between \$5,000 and \$20,000, the County Board must advertise for bids for at least one week before the contract for the project is awarded.
  - 3. If the estimated cost of the project exceeds \$20,000, the project must be awarded to the lowest responsible bidder in the manner set forth in section 66.29, Wisconsin Statutes, which deals with pre-qualification of bidders.
  - 4. Regardless of the estimated cost of the project, the County Board may, by a 3/4<sup>th</sup> vote, allow the work to be done by the County itself.
  - 5. None of the above rules apply in the case of the repair or reconstruction of public facilities where the County Board determines by Resolution that the damage or threatened damage creates an emergency in which the public health or welfare of the County is endangered.

- (m) Program initiatives and grants. No department of County Government may undertake a program initiative, or contract with, or apply and accept a grant unless approved by the County Administrator. If the grant requires matching funds, in-kind match, or adding personnel it will require approval by the County Board before submission.
- (n) Emergencies. An emergency is when a proposed contract, expenditure or program initiative for which County Board approval is necessary must be submitted by a date which is before the next County Board meeting. In an emergency then the committee Chair of the appropriate committee is authorized to undertake the act on behalf of the County, subject to the following:
1. That it be stated on the document being submitted that the approval being given is subject to review by the County Board at its next monthly meeting.
  2. That a Resolution on the matter be presented to the County Board for approval at its next meeting.
- (o) Surplus County Property. The County Clerk's Office shall be advised of the disposition of any surplus County property. Committees are encouraged to liquidate surplus County property in order to conserve storage space and to assure that County property is utilized to its fullest value. The liquidation of surplus County property which the department's supervising committee estimates has a market value of more than \$1,000 for that item must be approved by the County Board. Surplus equipment must be offered by e-mail to other County departments at no cost. If no other County department has use for the surplus equipment, it is then to be liquidated by the department with approval of the County Administrator by the best means possible. The proceeds from all sales of surplus County property shall be deposited in the General Fund.
- (p) Budget Matters. All budget issues and fund transfers must go through the County Administrator who will report to the Finance and Personnel Committee and, if necessary, to the County Board.

#### **Rule 15**

Members of the County committees shall be compensated for their attendance at meetings of the County Board and meetings of committees or boards in accordance with the following rules:

- (a) Per diems and mileage for Supervisors shall be paid at the following rate:
1. \$40.00 for each day's attendance at a meeting of the County Board (effective January 1, 2005).
  2. \$30.00 for attendance at meetings of boards or committees (effective January 1, 2005); payment of per diems for attendance at more than one meeting in a single day is allowed. The County Clerk shall provide all members with written notice of any adjourned meeting in the same manner as is done with regular Board meetings.

## Rule 2

After each election of the County Board, the roles of the Board Chair and Vice Chair, as defined in the policy titled “Authority of Management, Roles of Members and Chairs of Committees, Boards and Commissions” shall be distributed in the welcome letter for newly elected County Board members.

All completed forms (i.e. Committee/Board/Commission and Seat Preference, Supervisor Biography, County Board Chair/Vice Chair candidate answers) will be distributed to all County Board members-elect in advance of the organizational meeting. This will facilitate the process of electing the Chair and Vice Chair, and provide information to the entire board about biographies and appointment preferences.

### **Rule 13**

No amendments to a Rule of the Board shall be effective in the meeting in which that Rule is amended.

### **Rule 14**

This Rule applies to all committees and boards which consist of a majority of County Board Supervisors, subject to the exceptions stated below.

This Rule does not apply to the extent that it may conflict with authority granted to any committee or board by the Wisconsin Statutes.

This rule does not take precedence over the following:

- (a) The only matters which the Highway Committee has to come back to the County Board for are:
  - 1. to purchase highway equipment which costs \$50,000.00 or more (Resolution No. 41 Amended) adopted on October 28, 1975);
  - 2. to purchase real estate other than highway right-of-way (Resolution No. 87-47);
  - 3. to construct any building.
- (b) The Health and Human Services Board shall have the authority to enter into contracts which involve the expenditure of not more than \$50,000.00 either at one time or within the course of one year.
- (c) Resolution No. 88-32 (Committee Structure Resolution) and Resolution No. 89-100, which authorizes the Land Conservation Committee to undertake new projects costing up to \$50,000.00. The Land Conservation Committee can enter into cost-sharing contracts with private landowners under the Soil and Water Resource Management Program and pay those contracts involving the expenditure of up to \$50,000.00 per contract a year without County Board approval.
- (d) Resolution No. 89-80 Authorizing the Law Enforcement and Judiciary Committee to appropriate funds from the Jail Assessment Fund without County Board approval.
- (e) The Board of Trustees of Pine Valley Healthcare and Rehabilitation Center shall have authority to enter into contracts, make expenditures and undertake public works projects

which involve the expenditure of not more than \$50,000.00 either at one time or within the course of one year.

- (f) No supervisor should promise a present or prospective County employee a wage increase, salary, job, or job security without telling him or her that the promise has to have final approval of the full County Board before it can be carried out.
- (g) No Supervisor should make a financial commitment or promise to any individual, company or organization concerning County property without telling him or her that the commitment has to have final approval of the full County Board before it can be carried out.
- (h) The Fair Committee shall have authority to enter into contracts, make expenditures and undertake public works projects which involve the expenditure of not more than \$7,000.00 either at one time or within the course of one year.
- (i) Retirement Resolutions. The County Board will only consider Resolutions commemorating the retirement of County employees if the employee is fully vested in the Wisconsin Retirement System at the time of retirement.

Any matters covered by this Rule are not deemed to have been approved by the County Board by virtue of the Board having approved an annual County budget which may contain money for those items. Items covered by this Rule must be approved by the County Board by separate Resolution despite the fact of prior approval as part of the budget process.

The following items must be approved by the County Board:

- (j) Contracts. Agreements entered into on behalf of Richland County should be reduced to writing whenever possible. All contracts involving an expenditure of 10,000 or more a year must be approved by the County Board, except that a one year's extension of an existing contract may be authorized by the appropriate committee. All contracts involving less than 10,000 a year must be approved by the County Administrator. Department heads may enter into contracts on behalf of Richland County subject to County Administrator approval. Department heads will report all contracts to the appropriate committee. Copies of all contracts shall be filed with the County Clerk.
- (k) Expenditures. If the purchase price of the needed property including computers is 2,000 or less, the department head may make the purchase upon obtaining at least one quotation from a vendor. If the purchase price of the needed property including computers exceeds \$2,000 and does not exceed \$10,000, the purchase must be made by the County Administrator after having obtained a minimum of 3 quotations from vendors, if reasonably possible. The County Administrator may not commit Richland County to an expenditure of \$10,000.00 or more for the purchase of property, supplies or equipment (in either one unit or in multiple of units if the cost of either exceeds \$10,000.00) or of real estate or for the repair, renovation, remodeling or reconstruction of buildings or other public works, unless that expenditure has been approved by the appropriate committee and County Board.

- (l) Public works projects. All matters dealing with the “construction, repair, remodeling or improvement” of any County building or real estate is governed by section 59.52(29), Wisconsin Statutes. This statute covers the construction of a building that will become a County building even though its construction is being financed by private funds. Also, this statute does not govern highway projects. This statute sets forth the following requirements;
1. If the estimated cost of the project is less than \$5,000, there are no restrictions as to how the County Board can award the contract for the work.
  2. If the estimated cost of the project is between \$5,000 and \$20,000, the County Board must advertise for bids for at least one week before the contract for the project is awarded.
  3. If the estimated cost of the project exceeds \$20,000, the project must be awarded to the lowest responsible bidder in the manner set forth in section 66.29, Wisconsin Statutes, which deals with pre-qualification of bidders.
  4. Regardless of the estimated cost of the project, the County Board may, by a 3/4<sup>th</sup> vote, allow the work to be done by the County itself.
  5. None of the above rules apply in the case of the repair or reconstruction of public facilities where the County Board determines by Resolution that the damage or threatened damage creates an emergency in which the public health or welfare of the County is endangered.
- (m) Program initiatives and grants. No department of County Government may undertake a program initiative, or contract with, or apply and accept a grant unless approved by the County Administrator. If the grant requires matching funds, in-kind match, or adding personnel it will require approval by the County Board before submission.
- (n) Emergencies. An emergency is when a proposed contract, expenditure or program initiative for which County Board approval is necessary must be submitted by a date which is before the next County Board meeting. In an emergency then the committee Chair of the appropriate committee is authorized to undertake the act on behalf of the County, subject to the following:
1. That it be stated on the document being submitted that the approval being given is subject to review by the County Board at its next monthly meeting.
  2. That a Resolution on the matter be presented to the County Board for approval at its next meeting.
- (o) Surplus County Property. The County Clerk’s Office shall be advised of the disposition of any surplus County property. Committees are encouraged to liquidate surplus County property in order to conserve storage space and to assure that County property is utilized to its fullest value. The liquidation of surplus County property which the department’s supervising committee estimates has a market value of more than \$1,000 for that item must be approved by the County Board. Surplus equipment must be offered by e-mail to other

County departments at no cost. If no other County department has use for the surplus equipment, it is then to be liquidated by the department with approval of the County Administrator by the best means possible. The proceeds from all sales of surplus County property shall be deposited in the General Fund.

- (p) Budget Matters. All budget issues and fund transfers must go through the County Administrator who will report to the Finance and Personnel Committee and, if necessary, to the County Board.

### **Rule 15**

All completed forms (i.e. Committee/Board/Commission and Seat Preference, Supervisor Biography, County Board Chair/Vice Chair candidate answers) will be distributed to all County Board members-elect in advance of the organizational meeting. This will facilitate the process of electing the Chair and Vice Chair, and provide information to the entire board about biographies and appointment preferences.

If in-person meetings are not advised or not possible due to an emergency situation, as determined by the County Board Chair and/or the County Administrator, meetings of the County Board and its committees may be conducted via teleconference, video conference or other such methods, provided that members of the public can access the meeting in accordance with Wisconsin's Open Meetings Law.

### **Rule 4**

The invocation and the Pledge of Allegiance will be given. The Clerk will then read the agenda, which shall be approved by the Board by motion. The Chair shall then ask if any member desires the minutes of the previous meeting to be read or if any member desires to amend the minutes of the previous meeting. Such reading or amendment shall be accomplished by passage of an appropriate motion by a majority of the members present. Hearing no such motion, or after any such motion has been voted on, the

Chair shall declare the minutes as approved. No business may be conducted until the minutes of the last meeting have been so approved by the Board. Minutes shall be approved on a meeting-by-meeting basis so that, in monthly meetings of the Board which consist of more than one meeting, minutes of that entire monthly meeting shall not be approved until the next monthly-meeting.

#### **Rule 5**

The County Board Chair shall be responsible for the preparation of the agenda of the County Board in conjunction and with the assistance of the County Administrator and County Clerk. Matters may only be on the agenda if the Clerk has been notified of them at least 24 hours before the start of the meeting, unless the Board determines by motion that for good cause such notice is impossible or impractical, but in no event shall such notice be less than 2 hours in advance of consideration of the item. The order of consideration of agenda items shall be at the discretion of the Chair. The County Board Chair shall offer the option of resignation to a County Board member from a body, before a recommendation for removal is brought before the County Board.

The County Administrator shall have the authority to recommend an appointment of a vacant citizen member seat on a body, subject to confirmation by the County Board. The Administrator may solicit nominations for the vacancy by a notice in The Richland Observer, which notice shall also be posted on the County's website. The Administrator may also solicit nominations from a body of the County Board.

An individual who has served as a citizen member of a committee, board or commission who becomes a Supervisor is eligible to serve as a Supervisor member of the same committee, board or commission for not to exceed 6 years. A supervisor who has served on a committee, board or commission and who ceases being a

This limitation shall not apply to the statutory 3-year terms of members of the Zoning Board of Adjustment. Every member present when a question or election is put shall vote on the same, unless an abstention is declared.

All roll call votes of the Richland County Board of Supervisors shall be taken into rotation numerically, and each succeeding roll call shall be started with the next succeeding name that completed the last preceding roll call.

#### **Rule 10**

When a motion is under discussion, no motion shall be in order except a motion to table until later in the meeting or to table to a definite date or to table indefinitely, which shall not be debatable, or a motion to amend. A motion to adjourn shall be in order and be decided without debate.

#### **Rule 11**

#### **Rule 12**

When the Board is equally divided on any question before it, the same shall be lost, but in that case any member may move for reconsideration or bring the question anew.

When a vote has been taken on a question or motion, it shall be in order for any member of the majority on that vote to move for reconsideration on the same or succeeding meeting, but not for a member of the minority.

#### **Rule 13**

No amendments to a Rule of the Board shall be effective in the meeting in which that Rule is amended.

#### **Rule 14**

This Rule applies to all committees and boards which consist of a majority of County Board Supervisors, subject to the exceptions stated below.

This Rule does not apply to the extent that it may conflict with authority granted to any committee or board by the Wisconsin Statutes.

This rule does not take precedence over the following:

- (a) The only matters which the Highway Committee has to come back to the County Board for are:
1. to purchase highway equipment which costs \$50,000.00 or more (Resolution No. 41 Amended) adopted on October 28, 1975);
  2. to purchase real estate other than highway right-of-way (Resolution No. 87-47);
  3. to construct any building.

- (c) Resolution No. 88-32 (Committee Structure Resolution) and Resolution No. 89-100, which authorizes the Land Conservation Committee to undertake new projects costing up to \$50,000.00. The Land Conservation Committee can enter into cost-sharing contracts with private landowners under the Soil and Water Resource Management Program and pay those contracts involving the expenditure of up to \$50,000.00 per contract a year without County Board approval.
- (d) Resolution No. 89-80 Authorizing the Law Enforcement and Judiciary Committee to appropriate funds from the Jail Assessment Fund without County Board approval.

- (g) No Supervisor should make a financial commitment or promise to any individual, company or organization concerning County property without telling him or her that the commitment has to have final approval of the full County Board before it can be carried out.
- (h) The Fair Committee shall have authority to enter into contracts, make expenditures and undertake public works projects which involve the expenditure of not more than \$7,000.00 either at one time or within the course of one year.
- (i) Retirement Resolutions. The County Board will only consider Resolutions commemorating the retirement of County employees if the employee is fully vested in the Wisconsin Retirement System at the time of retirement.

Any matters covered by this Rule are not deemed to have been approved by the County Board by virtue of the Board having approved an annual County budget which may contain money for those

items. Items covered by this Rule must be approved by the County Board by separate Resolution despite the fact of prior approval as part of the budget process.

The following items must be approved by the County Board:

- (j) Contracts. Agreements entered into on behalf of Richland County should be reduced to writing whenever possible. All contracts involving an expenditure of 10,000 or more a year must be approved by the County Board, except that a one year's extension of an existing contract may be authorized by the appropriate committee. All contracts involving less than 10,000 a year must be approved by the County Administrator. Department heads may enter into contracts on behalf of Richland County subject to County Administrator approval. Department heads will report all contracts to the appropriate committee. Copies of all contracts shall be filed with the County Clerk.
- (k) Expenditures. If the purchase price of the needed property including computers is 2,000 or less, the department head may make the purchase upon obtaining at least one quotation from a vendor. If the purchase price of the needed property including computers exceeds \$2,000 and does not exceed \$10,000, the purchase must be made by the County Administrator after having obtained a minimum of 3 quotations from vendors, if reasonably possible. The County Administrator may not commit Richland County to an expenditure of \$10,000.00 or more for the purchase of property, supplies or equipment (in either one unit or in multiple of units if the cost of either exceeds \$10,000.00) or of real estate or for the repair, renovation, remodeling or reconstruction of buildings or other public works, unless that expenditure has been approved by the appropriate committee and County Board.
- (l) Public works projects. All matters dealing with the "construction, repair, remodeling or improvement" of any County building or real estate is governed by section 59.52(29), Wisconsin Statutes. This statute covers the construction of a building that will become a County building even though its construction is being financed by private funds. Also, this statute does not govern highway projects. This statute sets forth the following requirements;
  - 1. If the estimated cost of the project is less than \$5,000, there are no restrictions as to how the County Board can award the contract for the work.
  - 2. If the estimated cost of the project is between \$5,000 and \$20,000, the County Board must advertise for bids for at least one week before the contract for the project is awarded.
  - 3. If the estimated cost of the project exceeds \$20,000, the project must be awarded to the lowest responsible bidder in the manner set forth in section 66.29, Wisconsin Statutes, which deals with pre-qualification of bidders.
  - 4. Regardless of the estimated cost of the project, the County Board may, by a 3/4<sup>th</sup> vote, allow the work to be done by the County itself.
  - 5. None of the above rules apply in the case of the repair or reconstruction of public facilities where the County Board determines by Resolution that the damage or threatened damage creates an emergency in which the public health or welfare of the County is endangered.

- (m) Program initiatives and grants. No department of County Government may undertake a program initiative, or contract with, or apply and accept a grant unless approved by the County Administrator. If the grant requires matching funds, in-kind match, or adding personnel it will require approval by the County Board before submission.
- (n) Emergencies. An emergency is when a proposed contract, expenditure or program initiative for which County Board approval is necessary must be submitted by a date which is before the next County Board meeting. In an emergency then the committee Chair of the appropriate committee is authorized to undertake the act on behalf of the County, subject to the following:
1. That it be stated on the document being submitted that the approval being given is subject to review by the County Board at its next monthly meeting.
  2. That a Resolution on the matter be presented to the County Board for approval at its next meeting.
- (o) Surplus County Property. The County Clerk's Office shall be advised of the disposition of any surplus County property. Committees are encouraged to liquidate surplus County property in order to conserve storage space and to assure that County property is utilized to its fullest value. The liquidation of surplus County property which the department's supervising committee estimates has a market value of more than \$1,000 for that item must be approved by the County Board. Surplus equipment must be offered by e-mail to other County departments at no cost. If no other County department has use for the surplus equipment, it is then to be liquidated by the department with approval of the County Administrator by the best means possible. The proceeds from all sales of surplus County property shall be deposited in the General Fund.
- (p) Budget Matters. All budget issues and fund transfers must go through the County Administrator who will report to the Finance and Personnel Committee and, if necessary, to the County Board.

directed by either the County Board Chair or by a committee, board or commission of which the Supervisor is a member.

  4. Detailed, itemized receipts shall be required in all cases. Lodging invoices indicating room “service charges” charges will not suffice for reimbursement.
  5. Reimbursement of meals is only warranted when traveling out of the county on county business. All supervisors’ meal reimbursements must be approved by the County Clerk.
- (c) Reimbursement may be paid for other business related expenses in an amount reasonable under the circumstances, and if approved by the supervisor’s appropriate County Board Committee.
- (d) When registration fees for attendance at a duly authorized convention, seminar or meeting include the costs of meals and lodging, no other reimbursement for these items shall be allowed.
- (e) When State or Federal agencies are responsible for the payment of more than 50 percent or all of the supervisor’s expenses otherwise reimbursable under these Rules, then State or Federal provisions relating to the reimbursement of such expenses shall prevail to the extent that these Rules are inconsistent with such provisions.

2. Candidates for Chair and Vice Chair are strongly encouraged to indicate their interest in the positions Committee/Board/Commission and Seat Preference form.

  - How would you describe the style you will use in working with your fellow Supervisors, County committees, County Administrator and other staff?
4. All completed forms (i.e. Committee/Board/Commission and Seat Preference, Supervisor Biography, County Board Chair/Vice Chair candidate answers) will be distributed to all County Board members-elect in advance of the organizational meeting. 5. Candidates for County Board Chair and Vice Chair may directly contact County Board members-elect to campaign for the positions.
6. The County Clerk shall run the organizational meeting until a Chair has been elected.
7. At the organizational meeting, nominations shall be made and seconded, and the election of Chair and Vice Chair shall follow the verbiage already defined in County Board rules.

# February 3, 2022

Three committee restructuring options were considered and the we decided to further develop a hybrid of 2 of the options.

## **Why did we look at these options?**

- County currently has 54 bodies it runs or participates in.
- Fewer meetings would encourage a shift in focus from day-to-day management of staff to policy development
- Gives supervisors the ability to attend more meetings so they are better informed of county-wide issues
- WCA presentation from La Crosse and Ozaukee Counties attested to increased accountability from all (i.e., County Board members, the Administrator, and Department Heads)
- State law gives us a lot of freedom on how to structure, with some parameters.

# February 17, 2022

## **Recommended responsibilities for the County Board Chair:**

- Be responsible for the preparation of the agenda of the County Board in conjunction and with the assistance of the County Administrator and County Clerk.
- Remove ability to concur to the Administrator's appointment of department heads *(Richland County Administrator job description)*
- Acts as a voting member, if a quorum is not otherwise present for a Standing Committee.
- Take care that all federal, state and local laws, rules and regulations, and board policies pertaining to county government are enforced.
- Such other powers and duties as are set forth in County ordinances or resolutions
- Assign all matters to the appropriate committee when there is doubt.
- Represent the County at legislative hearings, conventions or other matters pertaining to the county. The Chair may delegate to department heads, County Administrator, other elected and appointed officers and other Board members such roles and responsibilities.
- Acts as the chief elected spokesperson, and coordinates with the Administrator, who is the chief administrative spokesperson for the County.
- Remove appointed committee members with approval by majority of the County Board.
- Call for a vote of ayes, noes, and abstentions *(remove "excuse members from voting on a roll call vote.")*

# Process for Running for County Board Chair/Vice Chair (*revised 2/17/22*)

1. The roles of the Board Chair and Vice Chair, as defined in the policy titled “*Authority of Management, Roles of Members and Chairs of Committees, Boards and Commissions*” shall be distributed in the welcome letter for newly elected County Board members.
2. Candidates for Chair and Vice Chair are strongly encouraged to indicate their interest in the positions Committee/Board/Commission and Seat Preference form.
3. Candidates are encouraged to answer two additional questions (beyond the minimum questions on the Supervisor Biography form):
  - If you are elected, are there things you will try to change or do differently as County Board Chair/Vice Chair?
  - How would you describe the style you will use in working with your fellow Supervisors, County committees, County Administrator and other staff?
4. All completed forms (i.e. Committee/Board/Commission and Seat Preference, Supervisor Biography, County Board Chair/Vice Chair candidate answers) will be distributed to all County Board members-elect in advance of the organizational meeting. This will facilitate the process of electing the Chair and Vice Chair, and provide information to the entire board about biographies and appointment preferences.
5. Candidates for County Board Chair and Vice Chair may **not** directly contact County Board members-elect to campaign for the positions.
6. The County Clerk shall run the organizational meeting until a Chair has been elected.
7. At the organizational meeting, nominations shall be made and seconded. **Each candidate is allowed 10 minutes to speak and answer questions.** The election of Chair and Vice Chair shall follow the verbiage already defined in County Board rules.

# February 17, 2022

Committee adopted this framework for committee/commission/board restructuring and authorized returning to the Rules & Resolutions Committee with a revised Committee/Commission/Board Structure document incorporating the changes.

# Post 2/17/22 Feedback

- Concern about length of meetings (*Severson*)
- Concern about not enough time for department head oversight (*Seep*)
- Executive Committee will have too much on its plate (*Luck, Severson*)

# Changes Made

# Process for Running for County Board Chair/Vice Chair

1. The roles of the Board Chair and Vice Chair, as defined in the policy titled “*Authority of Management, Roles of Members and Chairs of Committees, Boards and Commissions*” shall be distributed in the welcome letter for newly elected County Board members.
2. Candidates for Chair and Vice Chair are strongly encouraged to indicate their interest in the positions Committee/Board/Commission and Seat Preference form.
3. Candidates are encouraged to answer two additional questions (beyond the minimum questions on the Supervisor Biography form):
  - If you are elected, are there things you will try to change or do differently as County Board Chair/Vice Chair?
  - How would you describe the style you will use in working with your fellow Supervisors, County committees, County Administrator and other staff?
4. All completed forms (i.e. Committee/Board/Commission and Seat Preference, Supervisor Biography, County Board Chair/Vice Chair candidate answers) will be distributed to all County Board members-elect in advance of the organizational meeting. This will facilitate the process of electing the Chair and Vice Chair, and provide information to the entire board about biographies and appointment preferences.
5. Candidates for County Board Chair and Vice Chair may directly contact County Board members-elect to campaign for the positions.
6. The County Clerk shall run the organizational meeting until a Chair has been elected.
7. At the organizational meeting, nominations shall be made and seconded, and the election of Chair and Vice Chair shall follow the verbiage already defined in County Board rules.

# February 3, 2022

Three committee restructuring options were considered and the we decided to further develop a hybrid of 2 of the options.

## **Why did we look at these options?**

- County currently has 54 bodies it runs or participates in.
- Fewer meetings would encourage a shift in focus from day-to-day management of staff to policy development
- Gives supervisors the ability to attend more meetings so they are better informed of county-wide issues
- WCA presentation from La Crosse and Ozaukee Counties attested to increased accountability from all (i.e., County Board members, the Administrator, and Department Heads)
- State law gives us a lot of freedom on how to structure, with some parameters.

# February 17, 2022

## **Recommended responsibilities for the County Board Chair:**

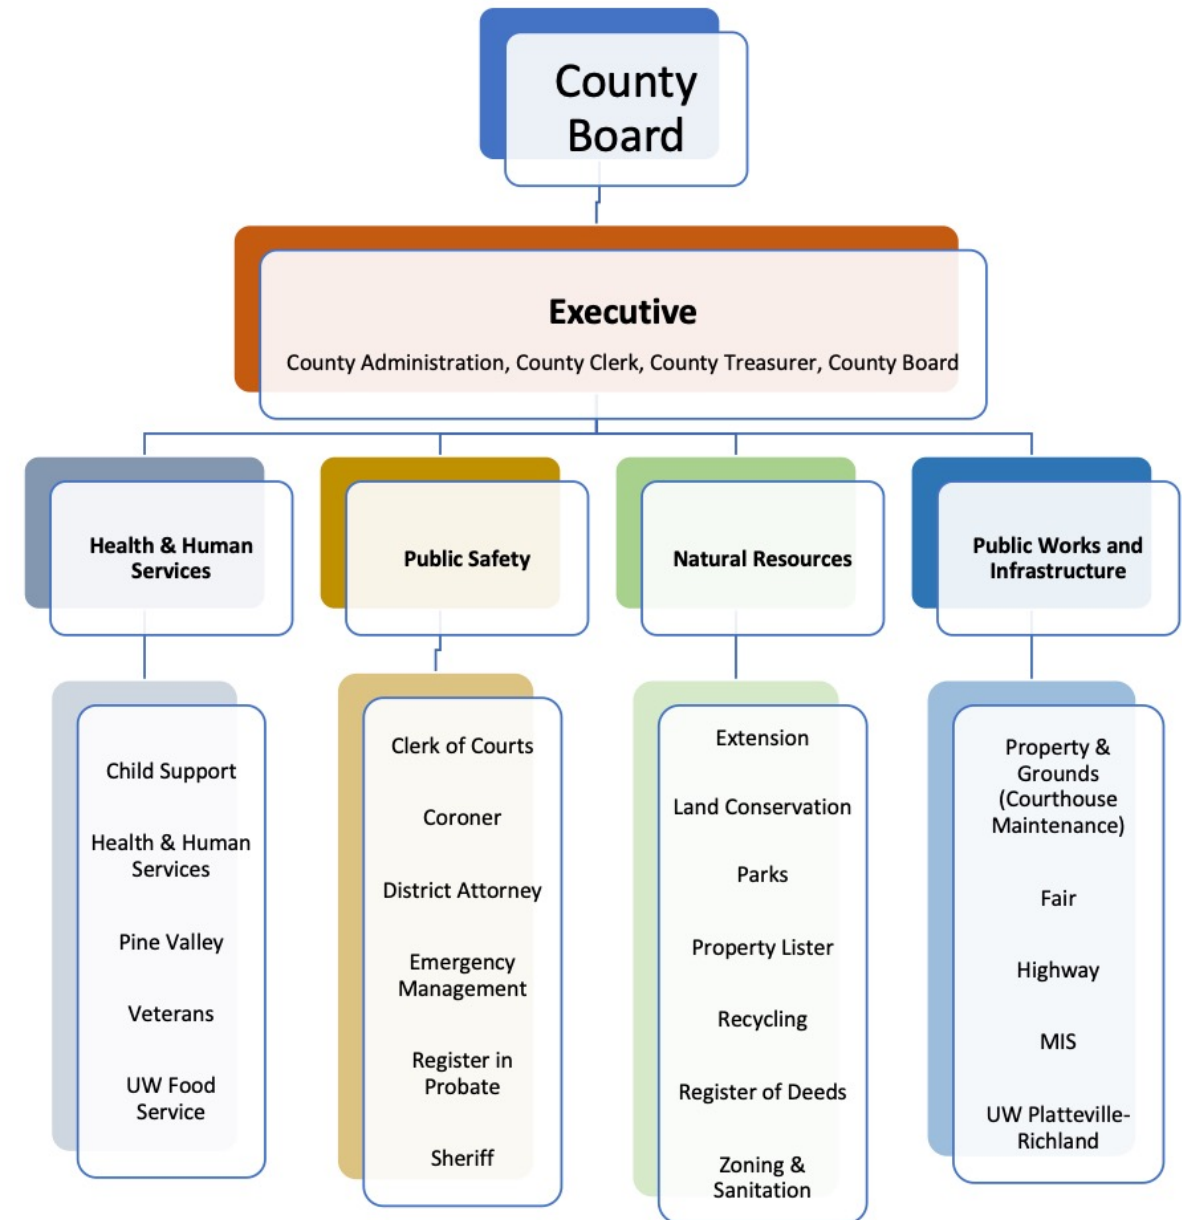

- Be responsible for the preparation of the agenda of the County Board in conjunction and with the assistance of the County Administrator and County Clerk.
- Remove ability to concur to the Administrator's appointment of department heads *(Richland County Administrator job description)*
- Acts as a voting member, if a quorum is not otherwise present for a Standing Committee.
- Take care that all federal, state and local laws, rules and regulations, and board policies pertaining to county government are enforced.
- Such other powers and duties as are set forth in County ordinances or resolutions
- Assign all matters to the appropriate committee when there is doubt.
- Represent the County at legislative hearings, conventions or other matters pertaining to the county. The Chair may delegate to department heads, County Administrator, other elected and appointed officers and other Board members such roles and responsibilities.
- Acts as the chief elected spokesperson, and coordinates with the Administrator, who is the chief administrative spokesperson for the County.
- Remove appointed committee members with approval by majority of the County Board.
- Call for a vote of ayes, noes, and abstentions *(remove "excuse members from voting on a roll call vote.")*

# Process for Running for County Board Chair/Vice Chair *(revised 2/17/22)*

1. The roles of the Board Chair and Vice Chair, as defined in the policy titled *“Authority of Management, Roles of Members and Chairs of Committees, Boards and Commissions”* shall be distributed in the welcome letter for newly elected County Board members.
2. Candidates for Chair and Vice Chair are strongly encouraged to indicate their interest in the positions Committee/Board/Commission and Seat Preference form.
3. Candidates are encouraged to answer two additional questions (beyond the minimum questions on the Supervisor Biography form):
  - If you are elected, are there things you will try to change or do differently as County Board Chair/Vice Chair?
  - How would you describe the style you will use in working with your fellow Supervisors, County committees, County Administrator and other staff?
4. All completed forms (i.e. Committee/Board/Commission and Seat Preference, Supervisor Biography, County Board Chair/Vice Chair candidate answers) will be distributed to all County Board members-elect in advance of the organizational meeting. This will facilitate the process of electing the Chair and Vice Chair, and provide information to the entire board about biographies and appointment preferences.
5. Candidates for County Board Chair and Vice Chair may **not** directly contact County Board members-elect to campaign for the positions.
6. The County Clerk shall run the organizational meeting until a Chair has been elected.
7. At the organizational meeting, nominations shall be made and seconded. **Each candidate is allowed 10 minutes to speak and answer questions.** The election of Chair and Vice Chair shall follow the verbiage already defined in County Board rules.

- Concern about length of meetings (*Severson*)
- Concern about not enough time for department head oversight (*Seep*)
- Executive Committee will have too much on its plate (*Luck, Severson*)

\*The County Board Chair and Vice Chair are automatically the Chair and Vice Chair of the Finance & Personnel Committee, and vice versa with the Rules & Strategic Planning Committee

\*The Chair of each Standing Committee is an automatic member of the Finance & Personnel and Rules & Strategic Planning Committees

\* Appointments to joint, advisory, and special assignment bodies should strive for balance between all County Board members

<b><u>DRAFT Overall Rules</u></b>
Each County Board member holds seats on 2 standing committees, with the exception of the chairs of non-executive standing committees who are on 3 committees.
The County Board Chair and Vice Chair are automatically the Chair and Vice Chair of the Executive Committee
The Chair of each Standing Committee is a member of each Executive Committee (Finance & Personnel; Rules & Strategic Planning)
All initial appointments are made and confirmed at the organizational meeting after the Chair and Vice Chair are elected
<b><u>DRAFT Appointment Process</u></b>
The Board first elects by secret, formal ballot the members of the Pine Valley & Child Support Standing Committee.
The Board Chair then appoints 9 County Board members to 2 of the 4 non-Executive Committees, with County Board confirmation
Those 2 committees then meet to elect Committee Chairs. A constitutional officer (i.e. Clerk, Treasurer, Sheriff, etc.) conducts each election.
Those 2 Committee Chairs automatically become members of the Executive Committee
The Board Chair then appoints members of the 2 remaining non-Executive Committees, with County Board confirmation
Those 2 committees then meet to elect Committee Chairs. A constitutional officer (i.e. Clerk, Treasurer, Sheriff, etc.) conducts each election.
Those 2 Committee Chairs automatically become members of the Executive Committee.
The 1st appointments of the last 2 Committee Chairs are replaced by the 2 County Board members who did not receive a 2nd appointment (or designated vacant if vacancies exist at the organizational meeting)
The final 2 replacement appointments are made by the County Board Chair, with County Board confirmation
<i>* County Board Chair makes all supervisor appointments (with County Board confirmation), Administrator makes all citizen appointments (with County Board confirmation)</i>

<b><u>DRAFT Overall Rules</u></b>
Each County Board member holds seats on 2 standing committees, with the exception of the chairs of non-executive standing committees who are on 3 committees.
The County Board Chair and Vice Chair are automatically the Chair and Vice Chair of the Executive Committee
The Chair of each Standing Committee is a member of each Executive Committee (Finance & Personnel; Rules & Strategic Planning)
All initial appointments are made and confirmed at the organizational meeting after the Chair and Vice Chair are elected
<b><u>DRAFT Appointment Process</u></b>
The Board first elects by secret, formal ballot the members of the Pine Valley & Child Support Standing Committee.
The Board Chair then appoints 9 County Board members to 2 of the 4 non-Executive Committees, with County Board confirmation
Those 2 committees then meet to elect Committee Chairs. A constitutional officer (i.e. Clerk, Treasurer, Sheriff, etc.) conducts each election.
Those 2 Committee Chairs automatically become members of the Executive Committee
The Board Chair then appoints members of the 2 remaining non-Executive Committees, with County Board confirmation
Those 2 committees then meet to elect Committee Chairs. A constitutional officer (i.e. Clerk, Treasurer, Sheriff, etc.) conducts each election.
Those 2 Committee Chairs automatically become members of the Executive Committee.
The 1st appointments of the last 2 Committee Chairs are replaced by the 2 County Board members who did not receive a 2nd appointment (or designated vacant if vacancies exist at the organizational meeting)
The final 2 replacement appointments are made by the County Board Chair, with County Board confirmation
<i>* County Board Chair makes all supervisor appointments (with County Board confirmation), Administrator makes all citizen appointments (with County Board confirmation)</i>
