

Richland County Administrator's Office
Candace Pesch, Administrator

For Immediate Release

Although we have been engaged in ongoing dialogue with the UW System, Richland County was not made aware of the official decision to close the UW Platteville-Richland campus until the press release today. The County has formed a Campus Reconfiguration Committee in order to evaluate the future options for the utilization of the buildings and land surrounding the campus. Richland County will work with community partners to identify the most beneficial way to move forward for the County and the community as a whole.

Questions may be directed to County Administrator Candace Pesch at 608-649-3001.
