Creating Entries

Exhibitors cannot compete against themselves; therefore, you can only have one item per entry. Each exhibitor can have multiple entries in a class but cannot have multiple items under one specific entry. One entry must be made for each item, animal, class, etc.

For example, if an exhibitor is bringing 2 Rubber Stamping items, each item must be entered into its own class entry in the Cultural Arts department. Or if an exhibitor is showing one horse in 5 events, five class entries must be created.

Once all entries have been created for the first exhibitor, you have the choice of creating another exhibitor in this family (and entries), however, do not submit entries until all family members are entered and then proceed to check out (submitting the entries, whether or not fees are charged). Once you hit submit, no further entries can be made until approval of entries previously submitted.

1. Click "Add an Entry" beside the correct exhibitor.
2. Click "Select" beside the first department you wish to enter.
3. After you select a department, you will see a list of divisions to select from and then a list of available classes. Also notice that there are blue "Change" links in case you mistakenly select an incorrect department, division, or entry.
4. After you have selected the class, click the green "Continue" button.
5. When each class entry is complete, you have 3 choices for what to do next:
 - a. If all class entries have been completed for one exhibitor, you can "**Register another Exhibitor**" in this family.
 - b. If this exhibitor has more class entries to make, you can "**Add another Entry for this Exhibitor**".
 - c. If all entries for all exhibitors in the family have been completed, "**Continue to Payment**" to finalize and submit your entries.
6. Notice the *Summary and Detail* buttons at the top of the list on the right. Click on the buttons to review your entries for completeness and accuracy. If there are errors, click on the green "Entries" section at the top of the page. Use the appropriate edit buttons to correct your errors. Click "Continue" when all information is correct.
7. Read the payment instructions and select your method of payment. Payment can be made by cash or check. Richland County Fair will **accept payment by credit card online or at the fair office. Payments will be due no later than September 1 in order to exhibit at the fair.** If mailing a check, it **must be postmarked on or before August 25** and mailed to Richland County Fair, P. O. Box 508, Richland Center, WI 53581. Please **do not** mail cash!
8. Read the information in the "After You Submit" section. You may also have to check a box to "Agree to Terms". Click "submit" to finalize the entries for the exhibitors in this family. ***After you click "Submit", no changes are possible to these entries until the entries have been approved! Once your entries have been approved, you can then go in and add/delete entries.***
