As the owner(s) of the above described property and having applied for a Sanitary Permit for the installation of a non-plumbing sanitation system on lands described above, I (we) certify that I (we) will operate and maintain the system according to the manufacture's requirements.

I (we) certify that only wastes generated in the unit for which the system is designed will be discharged into the non-plumbing system. I (we) agree if any part of the non-plumbing system is found to be defective, that part shall be repaired, renovated, replaced or removed, following any state or local codes or ordinances or manufacturer's recommendations. I understand that only composting or incinerating toilets that have been approved by the National Standard Foundation (NSF) shall be installed and, according to Chapter 383, Department of Safety & Professional Services, no drains shall be connected to the unit chosen.

This agreement shall be permanent and shall run with the land and shall be binding upon the owners', heirs, successors and assigns.

The non-plumbing system \_\_\_\_\_ is sized per manufacturer's recommendations of \_\_\_\_\_ people.

I (we) agree to increase the capacity of the system accordingly if the proposed use differs from the above specifications.
