Vacancy Appointments During the Session:

- Vacancies are filled by appointments of the County Board Chair or County Administrator, or by election (pending statutes) and confirmed by the County Board or Standing Committee.
- Committee on Committee forms with creation of a new standing committee

Several Changes to Committee, Boards, Commission Purposes and Structure:

- Separation of Veterans Committee and Veterans Commission
- Language changes regarding several bodies purposes and responsibilities

When and where are these conversations happening:

 Through the Richland County Rules, Resolutions and Ethics Committee

December 2021 through January 2022

 This could be a cultural shift, feedback is desired from departments and supervisors

Changes would be in anticipation for the 2022-2024 Session
