Agenda Item Name: VEEAM Backup Software Purchase

Department	MIS	Presented By:	Barbara Scott
Date of Meeting:	January 5, 2021	Action Needed:	Approval / Resolution
Disclosure:	Open	Authority:	Rule 14
Date submitted:	12/29/2020	Referred by:	MIS

Recommendation and/or action language: Approve purchase of Veeam Essentials software for 3 years from JComp Technologies for \$13,627.86.

Background: Veeam is a backup, recovery and monitoring software for servers that is used for protection and analytics of data. This software will assist the MIS department not only with backups, but with configuration of data needs for future growth. We will move from our current Veritas backup software to Veeam. This purchase will be made using funds from the borrowed money designated for MIS needs.

Please note that the only quote that has the three-year option is from JComp. This will save the County a significant amount of money.
