- 6) Specify that employees are paid the same as they are for their scheduled holiday shift when they work extra hours on the holiday such as before or after their scheduled shift on the holiday.
- 7) Modify the vacation schedule so that new employees have access to vacation after 6 months of employment and that more senior employees reach the top of the vacation schedule at 20 years of service. Also add an intermediary step on the schedule when employees reach 16 years of service.
- 8) Provide that "Immediate family" is defined as parent, child or spouse, including step and in-law in kind for sick leave purposes.
- 9) Update health insurance coverage language and employee contributions so that members of the bargaining unit are treated the same as other county employees.
