Subject: Review and Respond to Drafted Strategic Planning Documents

Good afternoon Richland County Supervisors and Department Heads,

Upon request of the Richland County Strategic Planning Committee:

1. Please find and review the drafted, chapters (one and two) of the Richland County Strategic Plan. (attached)
2. Please submit a response from your department or committee (board or commission) to the following questions:
 - a. After reviewing the drafted chapters, what questions do you have with the language? Or, which sections could use further explanation to frame context?
The Richland County Child Support Agency does not have any further questions in regards to the language or the need for further explanations
 - b. In context of the services you help provide or oversee, what concerns do you have with the drafted language?
The Richland County Child Support Agency would only have concerns if the agency is forced to cut more of it's annual budget due to any of the drafted language.
 - c. In context of the services you help provide or oversee, what recommended amendments, additions or deletions would you offer to the chapter's content? (do keep in mind that additional chapters are under development). The Richland County Child Support Agency does not have any recommended offerings.
 - d. In context of the services you help provide or oversee, do you see any conflicts with the drafted language and your current operations? The Richland County Child Support Agency does not see any conflicts at this time.
 - e. Please add any additional comments that you think the Strategic Planning Committee should be aware of, or consider. The Director's own personal thoughts are that while this strategic plan looks amazing, it will take many many years to get everyone on board and make it work. The key is this county needs to become fiscally solvent along with being open minded in bringing businesses and residents to this county to make it thrive. Once that happens, this county will start to rebuild and flourish.

3. Department heads are asked to respond on behalf of the department.
4. Department heads and committee (boards and commission) chairs are asked to please review, discuss and take action (recommendations) at your next routine body meeting. Please forward all body action language for consideration.
5. It is requested that all department heads and committees please review, consider and respond to this email by no later than November 19th 2021.

Please respond with “reply” to this string, CC to: Ingrid Glasbrenner ingrid.glasbrenner@co.richland.wi.us; Cheryl Dull cheryl.dull@co.richland.wi.us
