

Richland County Committee

Agenda Item Cover

Agenda Item Name: Motorola GeoValidation Update

Department	Sheriff Department	Presented By:	Barbara Scott
Date of Meeting:	01/14/2022	Action Needed:	Resolution
Disclosure:	Open Session	Authority:	
Date submitted:	01/12/2022	Referred by:	LEJC

Recommendation and/or action language:

Motion to ... Purchase GeoValidation Upgrade for Spillman Module for a cost of 31,326.03.

Background: *(preferred one page or less with focus on options and decision points)*

Richland County 911 system uses Spillman for CAD/RMS. This requires mapping to dispatch officers and emergency responders correctly. We have not purchase the upgraded maps as the cost was too high. We have now discovered that we can no longer update our CAD system until we implement the needed GeoValidation piece.
