**Background:** (preferred one page or less with focus on options and decision points)

The Richland County Administrator attended the 2023 WCA legislative meeting held in Madison on February 27<sup>th</sup> through March 1<sup>st</sup>. The agenda included a verity of political, budgetary and legal issues facing the State of Wisconsin and Wisconsin Counties. The major issues that were noted as "further explore" and "possibly actionable" included:

- 1. **Interesting:** Uniquely Wisconsin: Washington County Executive Josh Schoemann, again promoted the Uniquely Wisconsin Advertising/Tourism Initiative. "Built upon generations of rich storytelling from Discover Wisconsin, a new brand, "Uniquely Wisconsin, is highlighting the stories of the people, the culture and the history of our state, sprinkled in with a bit of economic development and tourism." <a href="https://www.wicounties.org/new-uniquely-wisconsin-brand-highlights-the-people-culture-and-history-of-our-state/">https://www.wicounties.org/new-uniquely-wisconsin-brand-highlights-the-people-culture-and-history-of-our-state/</a> Several administrators spoke in favor of the project. Participation remains around \$60,000.
- 2. **Center Piece:** Many speakers and members in attendance commented on the proposal of reform in shared revenues. Associated president Mark Graham commented that some of the reasoning in fixing the revenue to sales tax is to link economic success with government growth, and also commented that challenges in Milwaukee remain a center conversation (regarding their pension situation). Governor Evers talked optimistically on the reform commenting to the affect, "It's going to happen." I'm not getting anyone on the other side saying "no." There was some tamping down of expectations made by Assembly Speaker Robin Voss, commenting on how a large portion of the 7-billion-dollar surplus is from onetime sources and does not have continued revenue flow (only 2-3 billion will be reoccurring), as well as commenting on how sustained budget increases to the state prison system and Medicaid will also have to be considered when budgeting. We currently await the Joint Finance Committee's response to the Governor's Budget.
- 3. Future Action: Andy Phillips, Attolles Law, s.c. presented on topic of Tribal lands held by Tribal members and taxation. Currently there is a conflict with Uniformity of Taxation language in the Wisconsin Constitution and historic treaty language. There may be a need to amend the Uniformity of Taxation language in the constitution, which may open up an opportunity to consider allowing local government to allow for taxation at different rates based on residency.

Additional information will be made available at the WCA website, see link below.

**Background:** (preferred one page or less with focus on options and decision points)

The Richland County Administrator attended a workforce attraction and retention seminar sponsored by Prosperity Southwest. The seminar was directed by Ela Kakde, Regional Economic Development Director and featured Chris Czarnik, author of Winning the War for Talent, and Paul Scharfman, President of Specialty Cheese Company, Inc. The major issues that were noted as "further explore" and "possibly actionable" included:

1. **Interesting:** Statistics of less people to fill current jobs:

#### **Agenda Item Cover**

- 2. **Center Piece:** The main point of the seminar was understanding the workforce is changing. The labor market no longer contains a swell of baby-boomers and successful recruitment of employees will require the same tactics and technics as aggressive advertising for sales. The featured speaker emphasized trying to understand your employee pool perspective and noted statistical data that support a premise that "job change" is most often an "emotional decision not a financial one." Provided that you are in a 40-60 percentile with a compensation package there are other elements that make a person leave their established work environment. He encouraged employers to focus on several initiatives including: 1) advertise to reach emotional appeal, 2) understand the cost of doing nothing, 3) understand if people are unable or unwilling to work for you, and 4) and understand why your current employees you have, remain with you.
- **3. Future Action:** We will read, analyze and possibly implement some of the practices encouraged through his book, "Winning the War for Talent" in efforts to help our recruitment and retention efforts.

The following reports have been prepared to identify trends and statistics on compensations, and employee entry and exit data. The **first spread** sheet shows the gross payroll for the past five years, plus a breakdown of additional pays such as overtime, comp paid out and bonuses. The sheet also includes the total "New Hires" and "Terminations" and issued W2's and average employee head count, that were processed through the county payroll.

#### Notes:

"New Hires" = Employees that are starting a new position. (does not include transferring or taking on second positions)

"Terminations" = Any position that an employee is terminating from.

The data used arrives from reports made monthly to the of labor statistics on the 12th of each month. (includes count on: FT, PT, and Temp-Casuals and Women).

The **second sheet** includes a more detailed breakdown of "New Hires" and "Terminations" by department, as processed through the county payroll. The data reflects employee entry and exit over the past five years.

#### Notes:

- In 2022 the Fair and Recycling department removed judges as employees and they are now paid as a contract service.
- Symon's Center also reviewed and terminated some lifeguards that did not recertify or have not worked in multiple years.
- We are experiencing more and more *Hired and Quit* in the same year.

According to a Bureau of Labor Statistics report in September of 2022, "In January 2022, wage and salary workers in the public sector had a median tenure of 6.8 years, higher than the median of 3.7 years for private-sector employees. One factor behind this difference is age. About 3 in 4 government workers were age 35 and over, compared with about 3 in 5 private wage and salary workers. Federal government employees had a higher median tenure (7.5 years) than state (6.3 years) or local government (6.9 years) employees. (See table 5.)"

From Bureau of Labor and Statistics: In January 2022, wage and salary workers in the public sector had a median tenure of 6.8 years, higher than the median of 3.7 years for private-sector employees. One factor behind this difference is age. About 3 in 4 government workers were age 35 and over, compared with about 3 in 5 private wage and salary workers. Federal government employees had a higher median tenure (7.5 years) than state (6.3 years) or local government (6.9 years) employees.

62.6% of Richland County Employees are over Age 35.

Only 11.7% of the people that quit Richland County last year have worked over 7 years and were over the age of 35.

#### Recommendation and/or action language:

Motion to... accept report.

**Background:** (preferred one page or less with focus on options and decision points)

This last week the Administrator was contacted by a Board Supervisor, relaying a concern from a constituent in their district. The concerned constituent was a spouse of one of our employees, and they are member of the County's health insurance plan. The constituent/member elected the GHS plan with the understanding that their provider in Richland Center, the constituent was under the impression base on conversation with folks from the hospital. These unfortunately proved to not be entirely accurate and GHS currently does not cover that provider-patient relationship. The member had a couple of questions or possible remedies and clarifications.

The exchanged sparked an appropriate initiative to report on the transition to the ETF Health insurance plan to discuss some of our challenges, learning points, benefits and future actions:

### Health Plan Quality

Each year, participating health plans are evaluated on key care delivery areas, such as wellness, prevention, disease management, customer satisfaction, and efficient use of resources. Participating health plans report health care quality outcomes to leading national organizations, such as the National Committee for Quality Assurance (NCQA) and the Centers for Medicare & Medicaid Services (CMS). Visit **etf.wi.gov** for more information about health plan quality. You can use these quality resources to help make an informed decision about which health plan is right for you.

#### **COBRA Continuation Coverage Election Notice**

## IMPORTANT INFORMATION: COBRA Continuation Coverage and other Health Coverage Alternatives

February 8, 2023

Dear Employee, Spouse and/or Dependents:

This notice has important information about your right to continue your health care coverage in Richland Counties Group Health Plan (the Plan), as well as other health coverage options that may be available to you, including coverage through the Health Insurance Marketplace at <a href="www.HealthCare.gov">www.HealthCare.gov</a> or call\_1-800-318-2596. You may be able to get coverage through the Health Insurance Marketplace that costs less than COBRA continuation coverage. Please read the information in this notice very carefully before you make your decision. If you choose to elect COBRA continuation coverage, you should use the election form provided later in this notice.

#### Why am I getting this notice?

End of employment	☐ Reduction in hours of employment
Death of employee	Divorce or legal separation
☐ Entitlement to Medicare	Loss of dependent child status
Federal law requires that most group hea	olth plans (including this Plan) give employees and their families the

Federal law requires that most group health plans (including this Plan) give employees and their families the opportunity to continue their health care coverage through COBRA continuation coverage when there's a "qualifying event" that would result in a loss of coverage under an employer's plan.

#### What's COBRA continuation coverage?

COBRA continuation coverage is the same coverage that the Plan gives to other participants or beneficiaries who aren't getting continuation coverage. Each "qualified beneficiary" (described below) who elects COBRA continuation coverage will have the same rights under the Plan as other participants or beneficiaries covered under the Plan.

#### Who are the qualified beneficiaries?

Each person ("qualified beneficiary") in the category(ies) checked below can elect COBRA continuation coverage:

<ul> <li>Employee or former employee</li> <li>Spouse or former spouse</li> <li>Dependent child(ren) covered under the Plan on the day before the event that caused the loss of coverage</li> <li>Child who is losing coverage under the Plan because he or she is no longer a dependent under the Plan</li> </ul>
Are there other coverage options besides COBRA Continuation Coverage?
Yes. Instead of enrolling in COBRA continuation coverage, there may be other more affordable coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage.
You should compare your other coverage options with COBRA continuation coverage and choose the coverage that is best for you. For example, if you move to other coverage you may pay more out of pocket than you would under COBRA because the new coverage may impose a new deductible.
When you lose job-based health coverage, it's important that you choose carefully between COBRA continuation coverage and other coverage options, because once you've made your choice, it can be difficult or impossible to switch to another coverage option.
If I elect COBRA continuation coverage, when will my coverage begin and how long will the coverage last?
If elected, COBRA continuation coverage will begin first of the month following when coverage terminates as stated above and will continue for 18 29 or 36 months (check one) following the month, day, year that coverage terminates. COBRA coverage for the Flexible Spending Account will end at the end of the plan year.
You may elect any of the following options for COBRA continuation coverage:
Health Insurance (planQUARTZ_HEALTH)
Health Reimbursement Account (planEBC HRA)
Dental Insurance (planDELTA DENTAL)
Flexible Spending Account (planHealth Care)
Enrolling in COBRA: If this is your initial enrollment opportunity for COBRA continuation coverage and you wish to enroll, complete the continuation election form and application form, if required, for the coverage(s) that you wish to

Εı continue.

- 2. Submit the completed Cobra Continuation Coverage Election Form to continue your <u>Health Reimbursement</u> Account (HRA) administered through Employee Benefits Corporation (EBC) to the Richland County Administrator's office, PO Box 310, Richland Center, WI 53581-0310.

- 3. Submit the completed Cobra Continuation Coverage Election Form and Dental application to continue your <u>Dental insurance coverage</u> to the Richland County Administrator's Office, PO Box 310, Richland Center, WI 53581-0310.

Payments made to your Flexible Spending Account are on an after-tax basis. COBRA rights do not apply to dependent day care flexible spending accounts.

**<u>DECLINING COBRA:</u>** If, after reviewing the attached information, you do not wish to enroll in COBRA continuation coverage, you do not need to take any further action

Continuation coverage may end before the date noted above in certain circumstances, like failure to pay premiums, fraud, or the individual becomes covered under another group health plan.

#### Can I extend the length of COBRA continuation coverage?

If you elect continuation coverage, you may be able to extend the length of continuation coverage if a qualified beneficiary is disabled, or if a second qualifying event occurs. You must notify <u>RICHLAND COUNTY</u> <u>ADMINISTRATOR'S OFFICE, PO BOX 310, RICHLAND CENTER, WI 53581 PHONE (608)647-2197</u> of a disability or a second qualifying event within a certain time period to extend the period of continuation coverage. If you don't provide notice of a disability or second qualifying event within the required time period, it will affect your right to extend the period of continuation coverage.

For more information about extending the length of COBRA continuation coverage visit <a href="http://www.dol.gov/ebsa/publications/cobraemployee.html">http://www.dol.gov/ebsa/publications/cobraemployee.html</a>.

#### How much does COBRA continuation coverage cost?

COBRA continuation coverage will cost:

Plan	Total Monthly Premium
Health Insurance (plansee attached)	\$
Health Reimbursement Account (see attached)	\$
Dental Insurance (plansee attached)	\$
Flexible Spending Account (see attached)	\$

Other coverage options may cost less. If you choose to elect continuation coverage, you don't have to send any payment with the Election Form. Additional information about payment will be provided to you after the election form is received by the Plan. Important information about paying your premium can be found at the end of this notice.

You may be able to get coverage through the Health Insurance Marketplace that costs less than COBRA continuation coverage. You can learn more about the Marketplace below.

What is the Health Insurance Marketplace?

The Marketplace offers "one-stop shopping" to find and compare private health insurance options. In the Marketplace, you could be eligible for a new kind of tax credit that lowers your monthly premiums and cost-sharing reductions (amounts that lower your out-of-pocket costs for deductibles, coinsurance, and copayments) right away, and you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll. Through the Marketplace you'll also learn if you qualify for free or low-cost coverage from Medicaid or the Children's Health Insurance Program (CHIP). You can access the Marketplace for your state at www.HealthCare.gov.

Coverage through the Health Insurance Marketplace may cost less than COBRA continuation coverage. Being offered COBRA continuation coverage won't limit your eligibility for coverage or for a tax credit through the Marketplace.

#### When can I enroll in Marketplace coverage?

You always have 60 days from the time you lose your job-based coverage to enroll in the Marketplace. That is because losing your job-based health coverage is a "special enrollment" event. After 60 days your special enrollment period will end and you may not be able to enroll, so you should take action right away. In addition, during what is called an "open enrollment" period, anyone can enroll in Marketplace coverage.

To find out more about enrolling in the Marketplace, such as when the next open enrollment period will be and what you need to know about qualifying events and special enrollment periods, visit <a href="www.HealthCare.gov">www.HealthCare.gov</a>.

## If I sign up for COBRA continuation coverage, can I switch to coverage in the Marketplace? What about if I choose Marketplace coverage and want to switch back to COBRA continuation coverage?

If you sign up for COBRA continuation coverage, you can switch to a Marketplace plan during a Marketplace open enrollment period. You can also end your COBRA continuation coverage early and switch to a Marketplace plan if you have another qualifying event such as marriage or birth of a child through something called a "special enrollment period." But be careful though - if you terminate your COBRA continuation coverage early without another qualifying event, you'll have to wait to enroll in Marketplace coverage until the next open enrollment period, and could end up without any health coverage in the interim.

Once you've exhausted your COBRA continuation coverage and the coverage expires, you'll be eligible to enroll in Marketplace coverage through a special enrollment period, even if Marketplace open enrollment has ended.

If you sign up for Marketplace coverage instead of COBRA continuation coverage, you cannot switch to COBRA continuation coverage under any circumstances.

#### Can I enroll in another group health plan?

You may be eligible to enroll in coverage under another group health plan (like a spouse's plan), if you request enrollment within 30 days of the loss of coverage.

If you or your dependent chooses to elect COBRA continuation coverage instead of enrolling in another group health plan for which you're eligible, you'll have another opportunity to enroll in the other group health plan within 30 days of losing your COBRA continuation coverage.

#### What factors should I consider when choosing coverage options?

When considering your options for health coverage, you may want to think about:

- <u>Premiums</u>: Your previous plan can charge up to 102% of total plan premiums for COBRA coverage. Other options, like coverage on a spouse's plan or through the Marketplace, may be less expensive.
- <u>Provider Networks</u>: If you're currently getting care or treatment for a condition, a change in your health coverage may affect your access to a particular health care provider. You may want to check to see if your current health care providers participate in a network as you consider options for health coverage.
- <u>Drug Formularies</u>: If you're currently taking medication, a change in your health coverage may affect your costs for medication and in some cases, your medication may not be covered by another plan. You may want to check to see if your current medications are listed in drug formularies for other health coverage.
- <u>Severance payments</u>: If you lost your job and got a severance package from your former employer, your former employer may have offered to pay some or all of your COBRA payments for a period of time. In this scenario, you may want to contact the Department of Labor at 1-866-444-3272 to discuss your options.
- <u>Service Areas</u>: Some plans limit their benefits to specific service or coverage areas so if you move to another area of the country, you may not be able to use your benefits. You may want to see if your plan has a service or coverage area, or other similar limitations.
- Other Cost-Sharing: In addition to premiums or contributions for health coverage, you probably pay copayments, deductibles, coinsurance, or other amounts as you use your benefits. You may want to check to see what the cost-sharing requirements are for other health coverage options. For example, one option may have much lower monthly premiums, but a much higher deductible and higher copayments.

#### **Important Information About Payment**

#### First payment for continuation coverage

You must make your first payment for continuation coverage no later than 45 days after the date of your election (this is the date the Election Notice is postmarked). If you don't make your first payment in full no later than 45 days after the date of your election, you'll lose all continuation coverage rights under the Plan. You're responsible for making sure that the amount of your first payment is correct for dental, health reimbursement account (HRA) and flex. You may contact *Richland County Administrator's*, *PO Box 310*, *Richland Center*, *WI 53581 (608) 647-2197* to confirm the correct amount of your first payment.

#### Periodic payments for continuation coverage

After you make your first payment for continuation coverage, you'll have to make periodic payments for each coverage period that follows. The amount due for each coverage period for each qualified beneficiary is shown in this notice. The periodic payments can be made on a monthly basis. Under the Plan, each of these periodic payments for continuation coverage is <u>due by the 15<sup>th</sup> of the preceding month for that coverage period</u>. If you make a periodic payment on or before the first day of the coverage period to which it applies, your coverage under the Plan will continue for that coverage period without any break. The Plan  $\square$  will or  $\bowtie$  will not send periodic notices of payments due for these coverage periods.

#### Grace periods for periodic payments

Although periodic payments are due on the dates shown above, you'll be given a grace period of 30 days after the first day of the coverage period to make each periodic payment. You'll get continuation coverage for each coverage period as long as payment for that coverage period is made before the end of the grace period. If you pay a periodic payment later than the first day of the coverage period to which it applies, but before the end of the grace period for the coverage period, your coverage will be suspended as of the first day of the coverage period and then retroactively reinstated (going back to the first day of the coverage period) when the periodic payment is received. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated.

If you don't make a periodic payment before the end of the grace period for that coverage period, you'll lose all rights to continuation coverage under the Plan.

Your first payment and periodic payments for DENTAL, HRA and FLEX continuation coverage should be sent to:

As explained in the Notice of Right to Elect COBRA accompanying this form, you and your spouse and dependent child(ren), if any, could be entitled to continue health FSA coverage under the company's health FSA due to the a qualifying event.

If this election form is not returned within sixty (60) days of the date of this notice, you will lose your right to elect coverage, and your Health FSA coverage under the company's group health FSA plan will terminate.

Continuation coverage under COBRA is provided subject to your eligibility. The Plan Administrator (County Administrator's Office) reserves the right to terminate your COBRA coverage retroactively if you are determined to be ineligible for coverage.

Once the Plan Administrator at the County Administrator's Office receives this election form, you will be notified of the amount of the initial FSA premium you must pay. Your coverage will terminate if you fail to pay the FSA initial

FSA Premium payments are generally due on a schedule determined by the employer. You will be notified of any change in FSA premium amount.

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or <a href="https://www.insurekidsnow.gov">www.insurekidsnow.gov</a> to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2022. Contact your State for more information on eligibility –

#### General Notice of COBRA Rights

(For use by single-employer group health plans)

#### Continuation Coverage Rights Under COBRA

#### Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

#### What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);

- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to Richland County, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

#### When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment; Death of the employee;
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to:

Tami Hendrickson 181 W Seminary St PO Box 310 Richland Center, WI 53581

#### How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

#### Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. Please provide appropriate documentation within 60 days from the date of Social Security Disability determination.

#### Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible

under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

#### Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at <a href="https://www.healthcare.gov">www.healthcare.gov</a>.

## Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period<sup>1</sup> to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

## **EMPLOYEE RIGHTS**

# UNDER THE FAMILY AND MEDICAL LEAVE ACT

#### The United States Department of Labor Wage and Hour Division

#### Leave Entitlements

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within 1 year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered servicemember's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer's normal paid leave policies.

#### **Benefits & Protections**

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

#### Eligibility Requirements

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave;\* and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

<sup>\*</sup>Special "hours of service" requirements apply to airline flight crew employees.

#### Requesting Leave

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

#### **Employer Responsibilities**

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

#### Enforcement

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

## Genetic Information Nondiscrimination Act (GINA) Disclosures

#### Genetic Information Nondiscrimination Act of 2008

The Genetic Information Nondiscrimination Act of 2008 ("GINA") protects employees against discrimination based on their genetic information. Unless otherwise permitted, your Employer may not request or require any genetic information from you or your family members.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

#### Health Insurance Exchange Notice

#### For Employers Who Offer a Health Plan to Some or All Employees

## New Health Insurance Marketplace Coverage Options and Your Health Coverage

#### PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: The Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

#### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

#### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

#### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>2</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

#### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact:

<sup>&</sup>lt;sup>2</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

Tami Hendrickson 181 W Seminary St PO Box 310 Richland Center, WI 53581

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit <a href="HealthCare.gov">HealthCare.gov</a> for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

#### PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

5. Employer address 181 W Seminary St PO Box 310	6. Employer phone number 608-647-2197			
7. City Richland Center	8. State WI	9. ZIP code 53581		
10. Who can we contact about employee health coverage at this job? Tami Hendrickson				
11. Phone number 608-647-2197	12. Email address tami.hendrickson@co.richland.wi.us			

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
  - ☑ Some employees. Eligible employees are: Employees are eligible for the health insurance plan offered by Richland County if they work at least 17.5 hours per week.
- With respect to dependents:
  - ☑ We do offer coverage. Eligible dependents are: Eligible dependents are covered until the end of the month in which they turn 26.

☑ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

Note: Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

### Medicare Part D Creditable Coverage Notice

## Important Notice from Richland County About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Richland County and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- 2. Richland County has determined that the prescription drug coverage offered by the Richland County 2023 Health Insurance Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

#### When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> to December 7<sup>th</sup>.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

#### What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Richland County coverage will be affected. Plan participants can keep their prescription drug coverage under the group health plan if they select Medicare Part D prescription drug coverage. If they select Medicare Part D prescription drug coverage, the group health plan prescription drug coverage will coordinate with the Medicare Part D prescription drug coverage.

If you do decide to join a Medicare drug plan and drop your current Richland County coverage, be aware that you and your dependents will be able to get this coverage back.

#### When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Richland County and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### For More Information About This Notice or Your Current Prescription Drug Coverage

Contact the person listed below for further information call Tami Hendrickson at 608-647-2197. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Richland County changes. You also may request a copy of this notice at any time.

## For More Information About Your Options Under Medicare Prescription Drug Coverage

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

# Mental Health Parity and Addiction Equity Act (MHPAEA) Disclosure

The Mental Health Parity and Addiction Equity Act of 2008 generally requires group health plans and health insurance issuers to ensure that financial requirements (such as co-pays and deductibles) and treatment limitations (such as annual visit limits) applicable to mental health or substance use disorder benefits are no more restrictive than the predominant requirements or limitations applied to substantially all medical/surgical benefits. For information regarding the criteria for medical necessity determinations made under the Richland County 2022 Health Insurance Plan with respect to mental health or substance use disorder benefits, please contact your plan administrator at 608-647-2197 x .

## Newborns' and Mothers' Health Protection Act Notice

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## **Notice of Patient Protections**

Richland County 2023 Health Insurance Plan generally requires the designation of a primary care provider. ## **USERRA** Notice

#### Your Rights Under USERRA

## A. The Uniformed Services Employment and Reemployment Rights Act

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

- You return to work or apply for reemployment in a timely manner after conclusion of service; and
- You have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

## C. Right to Be Free from Discrimination and Retaliation

In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.

#### D. Health Insurance Protection

- If you leave your job to perform military service, you have the right to elect to continue your existing
  employer-based health plan coverage for you and your dependents for up to 24 months while in the
  military.
- Even if you do not elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

#### E. Enforcement

• The U.S. Department of Labor, Veterans' Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.

For assistance in filing a complaint, or for any other information on USERRA, contact VETS at 1-866-4-USA-DOL or visit its Web site at http://www.dol.gov/vets. An interactive online USERRA Advisor can be viewed at http://www.dol.gov/elaws/userra.htm.

  referred to the Department of Justice or the Office of Special Counsel, as applicable, for
  representation.
- You may also bypass the VETS process and bring a civil action against an employer for violations of LISERRA

The rights listed here may vary depending on the circumstances. The text of this notice was prepared by VETS, and may be viewed on the Internet at this address:

## Distributing Required Notices: What You Need to Know

There are a lot of notices and materials that employers are required to distribute to their employees each year. The requirements for distributing these materials can vary – some are provided only when participants first become eligible for a health plan, some are provided when an employee enrolls in coverage, and others need to be distributed annually. In addition, all notices must be provided to participants upon request. The amount of time employers have to respond to a participant's request can vary, so prompt attention to requests for information is the best practice.

Employers sometimes choose to rely on a third party, such as their COBRA administrator, insurance carrier, or broker, to prepare and provide participants with required notices. However, this requirement ultimately falls on the employer and failure to provide required notices in a timely manner may result in financial penalties.

The notices described below detail some of the more common employer notices related to employer sponsored health and welfare plans. Keep reading to learn more about which notices are required to be distributed to new hires, upon initial enrollment and special enrollment, and annually / open enrollment. Please note that some notices must be distributed at multiple times to employees.

Initial enrollment occurs when an active, eligible employee enrolls in their employer's plan for the first time, whether they are a new hire or switch to their employers plan. This is different from open enrollment, which occurs annually and offers all benefit eligible employees the opportunity to enroll or change their health plan for the next year. Special enrollment creates an opportunity for an employee to sign up or change their health insurance options due to a qualifying event (getting married, having a baby, adopting a child, etc.).

Understanding the differences between the various types of enrollment periods is vital to accurately distributing materials to the right people at the right time.

#### **New Hires**

The notices mentioned below must be provided to all new, benefit-eligible employees regardless of whether or not they enroll in coverage. If new hires enroll in coverage, please see the additional information in the sections that follow

Notice Regarding Availability of Health Insurance Marketplace

-

#### Due within 14 days of hire.

This notice provides employees with information on the health insurance options available in the Marketplace as well as the impact of enrolling in the exchange rather than an employer-sponsored plan.

Notice of HIPAA Special Enrollment Rights

2

#### Due at or before an employee is offered an opportunity to enroll in a group health plan.

This notice provides information on HIPAA special enrollment rights. It may be incorporated into the plan's Summary Plan Description (SPD). Many employers opt to include this notice annually during open enrollment to ensure that employees understand their enrollment rights.

#### Initial & Special Enrollment

The following documents need to be distributed during an employee's initial enrollment or during a special enrollment period.

As a reminder, initial enrollment occurs when an employee first enrolls in their employer's health plan, which can occur when they first become employed, or if they newly switch to the plan. Special enrollment is a period that occurs when an employee is offered the chance to sign up for health insurance outside of the annual open enrollment period because of a qualifying life event (getting married, having a baby, adopting a child, loss of coverage under another group health plan, etc.).

Summary Plan Description (SPD)

#### Due:

- · Within 90 days of enrollment of an existing plan
- . Within 120 days of enrollment of a new plan
- . Every 5 years if there are changes to the plan
- Every 10 years if there are no plan changes

An SPD is a document that needs to be distributed for plans covered under the Employee Retirement Income Security Act of 1974 (ERISA). The SPD is a common-language resource that provides all the important information that employers and plan participants need to know about their benefit plan.

For more information on SPD's and distribution requirements, visit www.ebcflex.com/SPD

Summary of Benefits Coverage (SBC)

1

#### Due at initial enrollment and open enrollment.

This notice is provided in accordance with the Affordable Care Act (ACA), which requires health plans and health insurance carriers to provide employees and participants an explanation of benefits offered under the plan. This includes major medical plans, health reimbursement arrangements (HRA) and non-excepted health care flexible spending accounts (FSA).

The SBC should be included with plan application materials during open enrollment. If coverage automatically renews for participants, the SBC must be provided no later than 30 days prior to the start of the new plan year. Employers must provide the SBC within 90 days of enrollment for special enrollees. The SBC must be provided 60 days in advance of any mid-year change to the plan.

**HIPAA Wellness Program Notice** 

^

Due prior to wellness plan participation and anytime a description of the wellness plan is distributed.

This notice is only required for employers with wellness plans that require individuals to satisfy a standard related to a health factor (like not smoking) in order to obtain a reward. The HIPAA Wellness Program notice discloses the availability of a reasonable alternative standard (or waiver of the original standard), and states that meeting the alternative standard allows the individual to obtain the reward.

This notice should be provided to participants before they provide any health-related information or undergo medical examinations.

Women's Health and Cancer Rights (WHCRA) Notice

,

#### Due at initial enrollment and open enrollment.

Employers must provide this notice to health plan participants regarding their rights to mastectomy-related benefits under the WHCRA.

Children's Health Insurance Program (CHIP) Notice

^

#### Due at initial enrollment and the first of every year (often distributed during open enrollment).

An annual notice must be provided by employers who have group health plans that cover residents in a state that provides premium subsidies to low-income children and their families.

**HIPAA Privacy Notice** 

^

#### Due:

- · At initial enrollment
- · Within 60 days of changes
- At least every 3 years

This notice (or a Notice of Availability of a Notice of Privacy Policy) must be distributed at least every three years to inform participants that the notice is available and how they can request a copy. For fully-insured plans, the insurance carrier, not the employer, is responsible for providing the HIPAA Privacy Notice.

Americans with Disabilities Act (ADA) Wellness Program Notice

Due prior to wellness plan participation and anytime a description of the wellness program is distributed.

This notice is only required for employers with 15 or more employees who are subject to the ADA and who have wellness programs with health-related questions or medical examinations. These employers must inform participating employees of the following:

- · What information will be collected in the wellness program
- · Who the information will be shared with (and why)
- · Any limits on the disclosure
- · How the information will be kept confidential

This notice should be provided to participants before they answer any health questions or undergo any medical examinations.

Initial COBRA Notice

Due within 90 days of initial enrollment.

This notice is only required for employers with 20 or more employees who are subject to COBRA and who sponsor group health plans.

Employers must provide an Initial COBRA Notice to new participants and their covered dependents within 90 days after commencement of coverage under the plan. This notice is required to be distributed to both employees as well as dependents who enroll in COBRA-eligible plan.

Grandfathered Plan Notice

Due whenever a summary of plan benefits are provided (initial eligibility, open enrollment).

This notice is only required for employers with a grandfathered health insurance plan.

These employers must include information about the plan's grandfathered status in documents describing coverage under the plan, including SPDs and open enrollment materials. Grandfathered plans are uncommon since the Affordable Care Act (ACA) has been in place.

#### Open Enrollment / Annual

There are several notices that must be provided to plan participants on an annual basis. It's important to note that some of these notices have a calendar date deadline (such as Medicare Part D Notice of Creditable / Non-Creditable Status). Before deciding if you are able to distribute a notice during open enrollment, check to ensure the distribution date complies with the deadline.

Summary of Benefits Coverage (SBC)

.

#### Due at initial enrollment and open enrollment.

This notice is provided in accordance with the Affordable Care Act (ACA), which requires health plans and health insurance carriers to provide employees and participants an explanation of benefits offered under the plan. This includes major medical plans, health reimbursement arrangements (HRA) and non-excepted health care flexible spending accounts (ESA)

The SBC should be included with plan application materials during open enrollment. If coverage automatically renews for participants, the SBC must be provided no later than 30 days prior to the start of the new plan year. Employers must provide the SBC within 90 days of enrollment for special enrollees. The SBC must be provided 60 days in advance of any mid-year change to the plan.

Women's Health and Cancer Rights (WHCRA) Notice

^

#### Due at initial enrollment and open enrollment.

Employers must provide this notice to health plan participants regarding their rights to mastectomy-related benefits under the WHCRA.

Children's Health Insurance Program (CHIP) Notice

^

#### Due at initial enrollment and the first of every year (often distributed during open enrollment).

An annual notice must be provided by employers who have group health plans that cover residents in a state that provides premium subsidies to low-income children and their families.

Summary Annual Report (SAR)

#### Due annually (within 9 months of the end of the plan year).

Employers that are required to file a Form 5500 must provide participants with a SAR. This report is a summary of the information contained in the Form 5500. If the employer receives an extension to file the Form 5500, then the SAR is due within 2 months after the close of the extension period.

Patient Protections Notice

Due whenever an SPD or similar plan description is provided. Consider distributing during open enrollment materials with SBC.

Group health plans that require the designation of a primary care physician must include this notice anytime an SPD or similar description of benefits are provided to participants. This notice identifies what types of providers meet the plan requirements of a primary care physician, such as pediatricians and/or obstetrical or gynecological providers.

Grandfathered Plan Notice

Due whenever a summary of plan benefits are provided (initial eligibility, open enrollment).

This notice is only required for employers with a grandfathered health insurance plan.

These employers must include information about the plan's grandfathered status in documents describing coverage under the plan, including SPDs and open enrollment materials. Grandfathered plans are uncommon since the Affordable Care Act (ACA) has been in place.

Medicare Part D Notice of Creditable / Non-Creditable Status

<u>^</u>

#### Due annually before October 15.

Employers with group health plans that cover prescription drugs must provide an annual notice to Medicare Part D eligible participants informing them whether the employer-sponsored prescription drug coverage is creditable or non-creditable.

Creditable coverage means that the employer-sponsored coverage is at least as good as Medicare Part D coverage.

This is not an all-inclusive list of notices that employers need to distribute to employees regarding their benefits. When an employer makes changes to the plan, there are additional distribution requirements they need to provide such as a Summary of Material Modification (SMM). For more information on change-related notices, consult your benefits or legal

Additionally, notice requirements may change from time-to-time. Employers can verify their notices are current or find templates on the Department of Labor (www.dol.gov) or Centers for Medicare & Medicaid Services (www.cms.gov) websites.

## **Understanding Your SPD**

## Everything you need to know about SPDs

## What's an SPD and why is it important?

Summary Plan Descriptions (SPDs) are documents that include all of the important information that employers and plan participants need to know about their benefit plan. Not only are SPDs beneficial to plan participants, SPD distribution is legally required for certain benefit plans and protects employers against liability. Failure to distribute SPDs to employees can lead to fines and other penalties.

At Employee Benefits Corporation, we help our clients meet their SPD requirements by providing a *Summary Plan Description* and *My Company Plan* for distribution. Both of these documents must be provided to employees to meet regulatory requirements.

Employee Benefits Corporation also provides clients with a Summary of Material Modification (SMM) template. If an employer makes a change to their plan, they could choose to distribute a summary of the changes with an SMM rather than the full SPD (including the My Company Plan).

You can expect the following in these three documents:

Document Name	Document Content		
Summary Plan Description	Information about the plan and how it is administered		
My Company Plan	Details specific to the employer's plan like plan dates, features, and plan limits		
Summary of Material Modification (SMM) Template	Information about specific material changes made after the plan is initially implemented		

## Who needs to distribute and receive SPDs?

Employers are required to *distribute* SPDs to all plan participants if they are subject to the Employee Retirement Income Securities Act of 1974 (ERISA).\*

The following people must receive an SPD:

- · Employees covered by the plan
- · COBRA qualified beneficiaries covered by the plan
- · Covered retirees
- · Other former employees who remain eligible under a plan
- Alternate recipient under a qualified medical child support order
- · Surviving spouses covered by the plan
- · Representatives or guardians of incapacitated individuals

<sup>\*</sup> Plans/employers that are not subject to ERISA, such as governmental employers and deemed church plans, are not required to distribute an SPD. However, employers may choose to distribute an SPD to plan participants so that they understand the specific details of their plan.

## When do employers need to distribute SPDs and where can they find it?

There are several instances when employers are required to distribute SPDs to participants:

- · Within 120 days of implementing a plan subject to ERISA
- · Within 90 days of an employee becoming a new participant
- · Within 30 days of a written request
- . Within 60 days of a reduction in covered services or benefits (alternatively, an employer can distribute an SMM)
- 210 days after the end of any plan year in which the plan has an amendment (alternatively, an employer can distribute an SMM)
- · Every five years after the plan has changed
- . Every 10 years if there are no changes made to the plan

These are the minimum requirements for how often SPDs legally need to be distributed. However, it's recommend that SPD distribution occurs as soon as possible, especially when participants are new or if there is a new plan.

Employee Benefits Corporation clients can find their SPD, My Company Plan and SMM template in their employer portal at the following locations:

Document Name	Where you can Access
Summary Plan Description	My Account Administrator > Resources > Forms and Materials > Product
My Company Plan	My Account Administrator > Plan Information > Product > Plan Year
Summary of Material Modification (SMM) Template	My Account Administrator > Resources > Forms and Materials > Product

### How do I need to distribute SPDs?

There are several options to distribute SPDs (and SMMs) to employees. If it's being distributed by mail, it's important to ensure that the mailing list is up to date and all participants will receive it. Employers can distribute SPDs to their participants by:

- · Mail (first, second, or third class)
- . Special inserts to company publications as long as there is a notice prominently displayed on the cover that the SPD is included
- Hand-delivery
- Electronic distribution (download the Digital Distribution Guide for electronic distribution requirements)

Reminder: It's important to always keep delivery records when available.

## The Employee Benefits Corporation Way

When it comes to SPDs, Employee Benefits Corporation provides the best in the industry. We tailor the required content to provide as much detail as possible about your specific plan design, including details about card usage, claim submission deadlines, and which expenses are eligible. The SPD gives employers the opportunity to share information with participants in consumer-friendly language that they can use as a reference for plan specifics and end of plan year details.

Employee Benefits Corporation provides a written SPD for the BESTflex, EBC HRA, and CommuteEase plans. While transportation benefits are not subject to ERISA, we provide an SPD to employers to help participants understand their qualified transportation plan. We also provide wrap plan SPDs as a standalone service. Our wrap plans combine health and welfare benefits into a single plan document and SPD. Contact us for more information.

Subject: Supporting Documentation on Request for HR Director Position

Date: 07 Mar 2023

The following documentation is in support of the request for a new HR Director position:

- Placement Carlson Dettman has proposed placement of the positon, based on the Job Description, as a "Q". I am recommending placement and recruitment efforts at a grade lower, "P." I feel the County should attempt to recruit at a "P" level to see if a pool of qualified candidates can be gathered. If we cannot, I will come back to the committee for consideration to place at a higher grade.
- 2. **Needs and Desires** The needs and desires for a centralized Human Resources Director have been made known through the following:
  - A. County Strategic Plan Streamline Organizational Structure "Create a Finance, HR, and maintenance department." Prioritized for 2023.
  - B. Finance and Personnel Action Committee took action on December 6<sup>th</sup> 2022 to include an assumption of centralizing and consolidating HR and Finance functions across all departments.
  - C. Recent notification of resignation of the Health and Human Services Administration and Building Operations Manager (500+ hours of HR duties annually), in conjunction with directive for HHS to reduce 5 positions.
  - D. Continued requested from several departments for more standardized HR support.
- 3. **Financials** The financial impacts of the position:

The majority of the 2023 impact will be absorbed by transferring funds from HHS to the new HR Department in the loss of the Administration and Building Operations Manager position. Pending the compensation package and additional operation expenses of the proposed department, the Administrator will develop a budget with financial solution.

Agenda Item Name: Richland County Staff Authorization Table

Unit	HHS	Presented By:	Tricia Clements
Date of Meeting:	March 7, 2023	Action Needed:	Vote and Resolution
Disclosure:	Open Session	Authority:	Finance and Personnel Committee
Date submitted:	February 24, 2023	Referred by:	Tricia Clements, HHS

**Recommendation and/or action language:** Recommend a motion, "to present a resolution to the County Board for approval to update the Staff Authorization Table for HHS."

The Staff Authorization Table that is contained in the Policy on Personnel Classification, Compensation, and Staff Authorization of Richland County currently lists two Psychiatric RN positions. The request is to change the authorization from "2" to "1". In exchange for removing one of the psychiatric nurse positions, we would like to change the APS Crisis Professional to "1". The Psychiatric RN is a grade K. The APS/Crisis worker is a grade H. This exchange would result in savings to the HHS budget.

#### **Background:**

Since the summer of 2022, the crisis worker duties were completed by a Psychiatric RN as HHS was unable to fill a crisis position. HHS no longer has a need for two Psychiatric RNs and would like to eliminate one of the positions but have the authority to fill the Crisis/APS worker position. This position was originally added in 2021 and was never filled, changing the status of the position. Looking at the overall budget and the need for the agency, it would be a benefit to HHS to have this position filled.

The County is mandated to provide crisis response services. The crisis response workers' duties are to assess those in a crisis, create safety assessments and/or crisis response plans, and as a last resort assist in placements to ensure the safety of the individual. In addition, the worker then assists those returning to the community after they have had a hospital stay.

There will not be an increase in the Department budget as the Crisis/APS worker is at a lower grade than the Psychiatric RN position.

#### Recommendation and/or action language:

Recommend to... approve the Staff Authorization Table for the Human Resource position and creation of Human Resource Department, Health and Human Services staffing changes and to present a resolution to County Board for approval.

**Background:** (preferred one page or less with focus on options and decision points)

At the time of Human Resources presentation and discussion in December, Administrator Langreck was advised by the Finance and Personnel Committee to find more cost savings in multiple departments and bring back to the Committee. Since December the HHS Admin and Building Operations Manager has submitted her resignation. Rather than filling that position, it opened an opportunity to impliment the Human Resources position. This request goes along with Item #12, approving the Job Description. The table update also includes HHS's changes.

#### **Richland County Finance and Personnel Committee**

### **Agenda Item Cover**

Agenda Item Name: Approval to progress wage schedule for Administrative Assistant to step 8.

Department	Sheriff	Presented By:	Clay Porter
<b>Date of Meeting:</b>	07 March 2023	<b>Action Needed:</b>	Vote
Disclosure:	Open Session???	Authority:	Committee Structure (D)
Date submitted:	01/09/2023	Referred by:	LEJC

#### Recommendation and/or action language:

Motion to approve a wage adjustment for the Administrative Assistant to a step 8.

**Background:** Susan Curtis has started her 32<sup>nd</sup> year as an employee of the Sheriff's Office. She is currently at step 4 in the wage schedule. Step 8 is market value. We have made 3 attempts now to work with Carlson Dettman to give her a grade increase because her job description is very similar to RES 20-109 Register in Probate/Probate Registrar/Juvenile Clerk. Carlson Dettman has denied these requests and responded, "This type of issue is related to the pay policies of the County, and is not a job evaluation issue. We would recommend the County review this piece independently to confirm that the current employee has progressed through the pay plan appropriately."

If the original intent of the wage study had been followed she should be at a step 8 (Market Value). Instead she is at a step 4 which means that someone could start new and after a year be making as much as somebody who has completed their 31<sup>st</sup> year of employment. The board has done much to address the issue of recruitment but this brings to light what is a retention problem.
