Agenda Item Cover

Agenda Item Name: Creation of a County Facilities Planning Committee

Department:	Administration	Presented By:	Tricia Clements
Date of Meeting:	November 24, 2025	Action Needed:	Resolution
Date submitted:	November 21, 2025	Referred by:	Public Works

Recommendation and/or action language:

Approve a resolution to create an ad hoc County Facility Planning Committee.

Background:

In August of 2025 a recommendation was made to create a county facility planning committee. Instead of creating a new committee, it was decided to give this task to the Public Works Standing Committee. At the Public Works meeting in November it was decided that due to their current committee make up, it would be best if an ad hoc committee was created. The goal of this committee is to develop a comprehensive 20 year long-range plan for all county facilities. The committee will do the following tasks:

Review all of the county facilities.

Create and review a list of needs; considering structural, space, security and infrastructure.

Prioritize future capital improvement projects.

In the process, the committee will get an overview of the current jail, review the courthouse building safety assessment and discuss the safety needs of the other buildings, review the space needs assessment that was completed in 2024, review the facility condition assessment reports and make future new construction decisions.
