Coroner's Office Report

June 2025

These statistics cover through mid-day, Monday, June 23rd.

We had 14 cases from the beginning of June until the 23rd.

Comparatively, we handled 7 cases during the same period in 2024 and only 4 cases during the same period 10 years ago.

8 of the 14 cases were on Hospice

13 of the 14 cases were cremation

The ages of the decedents ranged from 58 to 91 years old.

Our office is at 76 cases for the year. Comparatively, we were at 57 at the same time last year and at 44 during the same period 10 years ago.

We have 4 death certificates pending toxicology results and 2 cases pending final autopsy reports.

One decedent was sent for autopsy during this time. The case involved someone who was in our area from out-of-state and who has pending litigation regarding an accident, where he was hit by a car while in a crosswalk. A determination needs to be made of whether the injuries from that accident played any part in his death. Our investigation is ongoing in this case.

One of our part-time Deputy Coroner's is no longer with the County. This leaves primarily 2 of us to cover 24/7. We do have one part-time person who has been trying to take a weekend a month, but who was unable to in June. As such, a posting to attempt to secure an additional 2-3 staff members for our office will be forthcoming. The staffing shortage for our office is at a *critical* point and I am hoping we can find several qualified individuals very soon.

The primary deterrent appears to be the monetary compensation. Most individuals are not willing to give up their time for \$1.50 an hour on-call pay. The rate increases to \$3.00 per hour on weekends, which comes out to \$162.00. Again, many people have not been willing to give up their weekends for that amount. I will continue in my efforts to secure more staff and am hoping that by having an official posting, we can obtain the support we need.

As always, if you have any questions for me, please feel free to reach out.

Respectfully submitted,

James Rossing – Richland County Coroner

Richland County, WI
